MEMORANDUM FOR DIRECTOR, INTELLIGENCE COMMUNITY STAFF

Subj: Marine Corps Membership on the Director of Central Intelligence (DCI)
Security Committee (SECOM)

1. Upon obtaining full NFIB status in 1978, the Marine Corps commenced limited participation within the DCI's committee structure. Due to personnel resource constraints, however, this Headquarters was unable at that time to provide a Security Committee (SECOM) representative and continued to rely upon the Navy member for SECOM support.

2. With a recent addition of another officer to the Counterintelligence Branch, Intelligence Division, HQMC, and after coordination with the Director of Naval Intelligence, we are now prepared to participate in Security Committee activities. The following officers are designated as Marine Corps representatives on the Security Committee:

Primary: Lieutenant Colonel Bruce R. GRIESEN, Head, Counterintelligence Branch, Intelligence Division, HQMC (Ph: 694-2219).

Alternate: Major Lloyd A. ROBINSON, Assistant Head, Counterintelligence Branch, Intelligence Division, HQMC (Ph: 694-2058).

3. Clearance and access certifications on both officers will be passed by appropriate means.

4. We look forward to active participation and positive contributions to the significant efforts of the Security Committee.
